

HI-PRO STRIPPER

**High Productivity
ULTRA Concentrated Floor Stripper**

Ultra Shield Hi-Pro Stripper is a highly active ultra concentrated stripper that quickly penetrates and removes even extreme floor finish build-up. Its excellent wetting and slow drying features save time and labor. Compared to leading floor strippers Hi-Pro Stripper is 3 to 4 times more active. It contains no caustics, and does not require a neutralizing flood rinse.

Features / Benefits

- Ultra concentrated
- Fastest working liquifier in the industry
- Advanced wetting agents, remains wet longer to reduce additional labor.
- Requires no flood rinse or neutralization step / Saves time by eliminating neutralizing and rinsing
- Low odor formula for use in virtually any situation. Great for use in healthcare facilities.
- Low foaming makes cleanup easy with automatic scrubbers and wet vacs.

Innovative quart packaging makes Hi-Pro Stripper...

- Easy to Distribute (ORM-D)
- Easy to Dilute
- Cost Effective
